IO3 Panorama of sustainable business practices and self-assessment tool

Supporting Young Entrepreneurs in their sustainable projects

This is an interactive online tool where young entrepreneurs can consult sustainable solutions for the different area of their businesses. For each business fields (for instance Human Resources, purchases, distribution...), relevant examples of sustainable practices will be given with relevant information allowing an implementation in the young entrepreneurs' businesses.

tool for youth assessors, as they will be able to exploit it within their function of entrepreneurs' support.

THE IO3 SELF ASSESSMENT TOOL is ready!

To learn and know more about the sustainable self assessment tool here the link:
