About the project

Sustainable growth - for a resource efficient, greener and more competitive economy is one of the pillars of the EU2020 strategy.

The main objective of SUSTRAINITY is to explore new market trends in sustainable business management and provide a comprehensive guideline for their implementation by young wanna be entrepreneurs.

Outputs

- **Sustainable guidelines:** a complete didactic manual explaining what are the main concepts in sustainable management
- **Diagnostic tool:** focused on the evaluation of sustainable competences giving youth a perspective on their existing knowledge
- **Panorama of sustainable best practices:** showing examples of successful initiatives offering sources of inspiration and concrete solutions
